

## **Family Travel with Madagascar Classic Collection**

There is something for everyone on a family holiday with Madagascar Classic Collection. The whole family will enjoy the comforts of our stunning properties and the otherworldly beauty of their locations. Experience a once in a lifetime adventure with night and day walks in wildlife-rich forests, boat rides in lush mangroves, birding, whale watching trips, cultural visits to villages and sacred forests, desert island exploration and lazy days on the beach.

We understand that family travel is about fun and the best kind of hands-on education for your children. With this in mind we've developed some fantastic children's activities in both of our properties:

- \* Make your own slingshot and target practice
- \* Learn traditional weaving and beadwork.
- \* Scavenger hunts in the Camp grounds.
- \* There is also ample opportunity to get to know the local children by joining in their soccer and androvo (traditional Malagasy) games.
